

“The following is a direct script of a teaching that is intended to be presented via video, incorporating relevant text, slides, media, and graphics to assist in illustration, thus facilitating the presentation of the material. In some places, this may cause the written material to not flow or sound rather awkward in some places. In addition, there may be grammatical errors that are often not acceptable in literary work. We encourage the viewing of the video teachings to complement the written teaching you see below.”

Every Word

If one believes that the Law of God has been done away with, can they really believe the words of our Savior that says,

Matthew 4:4

Jesus answered, “It is written: ‘Man does not live on bread alone, but on **every word** that comes from the mouth of God.’”

Because if one part of God’s word nullifies another part of God’s word how can He say that we live on EVERY word that comes from the mouth of God?

Just a thought.
