### *Completion - Philippians 1:6*

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Phil. 1:6 being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

YHWH will never stop working on you as long as you let Him. This should be an encouraging fact to all of us. The question is if we are letting Him. Yet, at the same time, it should be something that keeps us on our toes. He's going to be right there to keep sharpening and correcting us.

Are you willing to go through the training? All of it? Are you willing to become what He truly wants you to be? What you you willing to give up to become greater in Him? Have you ever thought of that? Just because you may be in the army of YHWH, it doesn't mean you're at the place He wants you to be.

Have you become content with where you are in your walk with Him? Have you stopped letting Him draw you closer to Him? Make sure to let Him bring His good work in you to completion.

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
