### *Your Faith - Romans 1:8*

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Rom. 1:8 First, I thank my God through Jesus Christ for all of you, because your faith is being reported all over the world.

What a massive compliment. To think that your faith is being reported all over the world. To people who have no clue who you are. Yet they hear that you are faithful and staying true to YHWH. Being an encouragement and even a kind of example for others.

If the scriptures were still being written today, what would be said about you? Have you pondered that thought before? What if your life was to be one that was recorded in the scriptures? What would be said? Would things be said like "And she stood strong in the face of the trial." Or maybe "He grew stronger in YHWH and did not waver in his faith."

Or would there be things like "But He gave in to his flesh and dishonored the name of YHWH." Or maybe even "But she did not hold her tongue. She spoke evil in return." What are you having written today? How would your faith be reported?

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
