### *Consider Carefully - Mark 4:24*

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Mark 4:24 “Consider carefully what you hear,” he continued. “With the measure you use, it will be measured to you — and even more.

Consider carefully. Pay Attention. Take heed. Yeshua was getting ready to say something big and He didn't want them to miss it. So what did He say that was so important? He said “With the measure you use, it will be measured to you — and even more.”

I don't know about you, but I truly consider those some important words. Whatever measure you give anything to someone else, that measure will be given to you with an added amount. Think about this for a moment. Give someone kindness, and kindness will eventually come your way with an added amount. However, give someone spite, hate, or unforgiveness and it will also eventually come your way with an added amount. And please remember, nothing is said about it being done to the other person's face. It can be without them knowing it. The same will apply to you as well with an added measure. Now we can see why He said “Consider carefully.”

Let this be a focus in your time of meditation throughout the day. Until next time, shalom!
