Don't Give Up - Galatians 6:9

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

Galatians 6:9 Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

You know, it's not always easy doing the right thing. In fact, at times, it can be down right difficult and taxing. But it's always worth it in the end.

The problem is, what you may be working for is not always seen until the end. Until that time, there will be a lot of sweat and tears fall to the ground that absolutely no one will see. Days that will wear you out and leave you wondering "can I even go another day?"

It's in those moments that we have to reach deep down to keep going. He didn't bring us this far to just let us go. Everything is for a purpose. When something comes easy, we rarely appreciate it. Yet, when we have to fight for it, the victory is sweeter than ever.

What ever you're in right now, don't give up. Stay faithful to YHWH in it all. It may not go how **you** want it, but if you stay faithful to Him, it will always go how He wants it.

Let this be a focus in your time of meditation throughout the day. Until next time, Shalom.
