His People - 2 Chronicles 7:14

Welcome to Scriptures for Life with TorahFamily.org. Taking time to focus on the Father's way.

2 Chronicles 7:14 "...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

There are four things that we need to do according to this verse. Humble ourselves, pray, seek His face and turn from our wicked ways. Now, stop what your doing and focus on these for a moment. Humble ourselves, pray, seek His face and turn from our wicked ways.

Are you walking in Humility?

Are you walking in Prayer?

Are you walking a lifestyle that seeks after His face?

Are you walking a path where you turn from wicked ways?

If you have a moment, I encourage you to write these four things down real quick. Put them somewhere so you will see them throughout the day. When you glance at them, let them test your actions. Let them test your attitudes. Let them test your motivations.

If we are His people and calling ourselves to His name, maybe we should consider making this a regular practice.

Let this be a focus in your time of meditation throughout the day. Until next time, Shalom.
